In Loving Memory **Sherry Lynn Rife**

1/24/47 - 2/28/24

Sherry was a Life Member of BDOC, and she was our long-time newsletter editor for over two decades. Sherry could be found stewarding and/or exhibiting at most of our AKC and UKC obedience and rally events for the past 30 plus years. Sherry and her dogs excelled at conformation and field work as well. Sherry passed on her knowledge and love of dogs through teaching countless obedience classes over the years. Sherry was also a long-time 4-H dog project leader, and she very much enjoyed working with the kids. Sherry will always be remembered and missed.

Little did I know this belligerent Beagle would introduce me to the sports of Agility and Tracking. Kasey liked Agility, but he loved his retirement sport of Tracking. He did Scent Work only because it gave him instant cookies!

Kasey was a fun little Beagle when we finally walked out of the cornfield. We traveled around the Midwest for agility trials and a few National competitions, including the Beagle Nationals.

In 2009, Dave Matthews wrote a song "You & Me", which has some lyrics that stuck with me during our years of competition:

*"We can always look back at what we did
Always remembering you and me, baby
But right now it's you and me forever
And you know we could do better than anything that we did
You know that you and me, we could do anything"*

We miss you, Kasonator
